

A decorative border of yellow hearts surrounds the text on a pink background.

Summit Hearts for Haiti

Sponsored by Student Council

How you can help:

Bring in a monetary donation to your home-room teacher from now through February 26. *We are accepting everything from coins found in your couches and cars to large cash donations in the form of checks! **There is no donation too big or too small!***

Once you have brought in a donation, you will fill out a heart with your name on it. These hearts will then be posted in the main office for all to see!

Student Council will send the donations to the American Red Cross in care of Haiti.
