- The above cost for Tuition above does not include the additional annual \$90 BEST dues (parent organization). This fee is included in the payments shown below.
- **FIRST THINGS FIRST SCHOLARSHIP REQUIREMENT: students cannot be absent more than 15% in any one month to receive the scholarship. Unexcused absences over the limit in any one month can result in loss of the scholarship from First Things First.** Parents are required by First Things First to provide the school with documentation for absences due to medical reasons.
- As you complete the enrollment process, you will be requested to pay a \$400 payment due with enrollment. This amount is part of the total tuition owed for the school year and will reduce the remaining amount owed. You will then select your payment plan for remaining tuition due. Going forward, you will be able to log into your ParentWeb account, and click on the FACTS tab to manage your tuition payments.
