

## 2019-2020 STUDENT & PARENT HANDBOOK AGREEMENT

My signature acknowledges that I have received a copy of Summit School's Student and Parent Handbook.

- My child, myself, and any guardians will agree to review it and abide by the rules and regulations adopted by Summit School, including such other policies as may be adopted and amended from time to time by the school.
- I understand that my child will be held accountable for his or her behavior and may be subject to disciplinary action or other consequence if he or she violates any policy or agreement set forth in the handbook.
- I understand that the school believes that a positive and constructive working relationship between the school and the parent/guardian is essential to the fulfillment of the school's mission, and to be supportive of the school's mission, its curriculum, administration, faculty and staff.
- In the event that I have a concern, I agree to bring it directly to the appropriate teacher or administrator. If it is an academic concern, I will share it with the teacher first.
- I understand the school's policy that after multiple attempts to resolve a serious issue with a parent/guardian, if his/her actions materially interfere with the school's ability to perform its mission or threaten the well-being of any member of the student body, staff or parent community, the school may disenroll the parent/guardian's child[ren] at its discretion.
- I know that if I have any questions or concerns about my student, the school's policies or procedures, or any other matter, that I can speak to either the Head of School or the Assistant Head of School about the situation.
