

TS GOLF

Grades K—8

About:

TS Golf teaches the basics of golf to elementary grade levels K-8. In fact, we teach more than golf, we teach students how to establish and attain goals, be responsible and honest. Our six level instruction curriculum of golf teaches skills in all areas of the game. Our program teaches core building exercises to develop a consistency and strength. The program will build confidence in your child through interaction with other children, and reach goals they have set for themselves through the guidance of our instructors. Golf's Elementary provides all the equipment, including golf clubs designed specifically to fit children, synthetic turf mats, safe and lightweight golf balls, games and drills, putting green, targets, and visual aids.

Class Schedule: 3/19, 3/26, 4/2, 4/9, 4/16, 4/23

Class Time: 7am—8am

Fee: \$105 for full 6 week program

How to Register:

To register contact Trent Siever.

SUMMIT EXTENDED DAY

Grades: Preschool—8th Grade

About:

The Summit School Extended Day program exists to provide Summit students with a safe, fun, and low-anxiety environment to unwind after a long school day. Our mission is to provide every student with an opportunity to do homework, socialize with friends, and engage in fun activities run by caring staff.

Class Schedule:

Monday through Friday on normal school days, services offered on teacher work days and half days (early dismissal). No services offered on school holidays.

Class Time: 7am-8am, and dismissal to 6:00pm

Fee: \$19.00 per day

How to Register:

To register please contact Stacey Peed or stop by the Summit School front office for a registration packet.
