Summit Student Athlete Code of Conduct

- I understand that ***student*** comes first in “student-athlete”.
- I agree to make my homework and school performance my priority. I understand that parents, teachers, or coaches can suspend me for a game or a season as a consequence of poor grades.
- I will always try my hardest in both practice and games. I understand I may lose playing time if I have unexcused absences from practices or games. • Win or lose, I will always behave respectfully to my teammates, coaches, opposing players, and parents.
- I will never say, “I can’t.” Acceptable alternatives I can use are, “This is difficult for me.” “I haven’t practiced this before” or “I need more help with this skill.”
- I will not make excuses. I understand it is ok to make mistakes, and I agree to learn from them.
- I will not tease, bully, or otherwise emotionally or physically harm my teammates or any opposing players in any way.
- I understand that the best way to win is to support those around me.
- I understand that I may be asked to sit out for a portion of or all of a game or practice if I break any of the above rules.
