

Fall 2022
After-School Enrichment

Mission: To give students a safe, secure place to enjoy after school activities that enrich their lives.

Dear Summit Families,

Summit School is committed to providing a rich variety of high quality learning experiences for our students. We have partnered with businesses and organizations that share our vision for enriching children's learning to provide many special interest classes and this year we have added several after-school activities.

The purpose of these clubs is to extend your child's learning and social relationships beyond the school day. We are excited to provide these new club opportunities and we look forward to offering more in the future.

Sincerely,

Tylor Wimbish
Athletic/Activities Director
Summit School

Enrichment Guide Quick Reference

Name	Grade Levels	Day (s)	Start Date	End Date	Location
The Chess Emporium	K-8	Wednesday	8/31	11/30	Room 305

Science Matters in America	K-4	Wednesday	8/17	12/7	Room 300
Young Rembrandts	K-5	Tuesday	8/16	11/9	Room 502

General Enrichment Information

What Time Do Enrichment Classes Occur?

Time for each specific enrichment class will be noted on their individual advertisement. Please be aware that students not picked up at the end of an enrichment class will be taken to Extended Day. Extended Day fees will then apply.

How does My Child Get to Enrichment Classes?

Enrichment Providers will pick students up from the MPR at the end of the school day and bring them to their assigned classroom.

Where Do I Pick My Student Up?

Please pick your student up at the location of the class indicated on the enrichment provider's flyer. You should enter from the blue gate at the front of the school using your key fob.

How Do I Register My Child For A Class?

Please see each individual enrichment provider's page for information on how to register and pay. We would prefer that parents pay the vendors directly, and Not through the front desk.

Activity Waiver Form

All After-School Enrichment enrollees must have a "Summit Activity Waiver Form" on file before participating in the class. Please bring these forms to your enrichment provider on the first day of class.

Who Can I Contact With Questions?

Please contact Summit's Activity Director, Tylor Wimbish, with any questions regarding after school activities.

Tylor Wimbish Athletic/Activities Director
tylor.wimbish@summitschoolaz.org

SUMMIT SCHOOL FALL SPORTS

ON-CAMPUS SPORTS 2022

FALL ON-CAMPUS SPORTS REGISTRATION IS NOW OPEN!

Season Start Dates:

- SOCCER- WEDNESDAYS, 3:15-4:30PM, DATES: 09/21- 11/09
- FLAG FOOTBALL- WEDNESDAYS, 3:15- 4:30PM, DATES: 11/16- 01/18

Season Details:

- Practices/games run once a week on campus, right after school (see website for your school schedule).
- Our fall sports include soccer and football, followed by spring basketball, soccer and water games
- Open to all K-6th boys and girls (grouped by age/ability) • Equipment provided
- Coaches meet players on the fields right after school and walk them to aftercare/parent pickup after practice
- No practice on early release days or holidays • AIT gives back a portion of registration fees to the school

We are taking extra precautions in sanitizing equipment to promote wellness during our programs, and will be following the district and school guidelines regarding masks. Please have your child dress in athletic clothing and bring a water bottle. Athletes and coaches must be free of fever, cough, or other symptoms of illness to attend. Let's play!

Bricks 4 Kidz LEGO®

Engineering K-4th grade

THEMES FOR THE FALL SESSION : Laws of Motion and Ticket to Ride!

This is a hands-on class where students will build *motorized* models out of LEGO® bricks. While exploring engineering, architecture and physics, students will develop problem solving and critical thinking skills. Students will use LEGO Bricks, axles, pulleys, gears, and motors to create fun and interactive models. Introduce kids to physics, including the “Laws of Motion” made famous by Sir Isaac Newton. By explaining terms like inertia and mass using simple words, During this unit kids will give their mini-figures a ride on motorized see-saw, ferris wheel, swing-o-rama rides, and practice telling time as they build the clock model. At Bricks 4 Kidz®, we know how to keep their hands *and* their minds busy! Who says physics is boring? What will your *reaction* be to our Bricks 4 Kidz® action-packed after school class? We doubt you’ll “*stay at rest*” with these challenging projects designed to *accelerate* the learning with the *force* of fun! Don’t miss out on all the exiting LEGO® action in this session, Enroll now!

Class Schedule: Aug. 30—Dec. 5 (No class 10/4)

Class Time: (Tuesday’s) 3:30-4:30pm Room 309

Fee: \$320 for 14 weeks

How to Register: Online: www.brick4kidz.com/arizona-phoenix-eastvalley (Front office can no longer accept payments). Pay online or make checks payable to Bricks 4 Kidz and give to instructor the first day of class.

2021-22 Science After School Clubs

MY AMAZING FLYING MACHINE (Fall 1) Zoom your way into this high flying club. Speed your way through the four forces of flight by making a ping pong ball float, designing your own parachute, sending rockets into the atmosphere, building your own plane, and much more. Soar your way through this aerodynamic club. May the four forces of flight be with you!

SLIMEOLOGY (Fall 2) Slimey, Goopy, and Gross. FINALLY, a club all about SLIME. We will make all different kind of Non-Newtonian Fluids and explore the properties of matter. If you can squeeze it between your fingers and toes, we are going to make it. Floam, Sparkle Slime, and, of course, glow in the dark slime. It's a messy club made for the messiest of us all!

ZANY ZOOLOGY (Fall 3) If your interests are on the WILD side, then this is the club for you! Explore the world of animals, from A to Z. Dissect an owl pellet, make friends with a worm, make art from a fish, and much more. Classify creatures that slither, swim, crawl, and fly. Unleash your curiosity as we journey through the animal kingdom!

RADICAL REACTION LAB (Winter 1)

Enter our reaction lab and you will be transformed into a chemist! Create chemical concoctions that fizz, bubble and ooze. Make your own chemical reactions - a super polymer bouncy ball, meet the mysterious Mushroom Men, create your own Magic Crystal, and much more. If you like mixing things-up then come get Radical in our lab!

BLAST INTO SPACE (Spring 1) **SPACE:** The Final Frontier! In this club you will train to become a Space Voyager. Learn about our Solar System, Planets, and beyond. Design your own space vehicle. Find out how it would be to live and work in space. Enjoy Astronaut Ice Cream. Build your own squeeze rocket. Don't miss out on this cosmic adventure!

SCIENCE BLOOPERS AND PRACTICAL JOKES (Spring 2) OOPS! Is it a blooper or something quite super? Discover the fun behind Serendipity Science as we use some crazy science to do amazing projects. Create your own Talking Cup. Experiment with the vanishing quarter. Have fun with your friends with Amazing Feats of Science. Astound an audience with our terrific but very scientific magic tricks. Sign up today, and you'll be the one who has the last laugh!

FLYING SAUCERS AND HOMEMADE CATAPULTS (Extra Club)

Send things flying through the air - spinning, floating, and flying. We will make a mini hover craft and learn about color and frisbees. Fly the Big Mouth. And don't forget about the catapults. Experiment with levers and make the best catapult. The Viking and the Mini Office Catapult. Note: Some projects may take two classes.

After School Clubs

- 1 hour per week for 5 weeks
- \$16 per class plus facility fees
- Take home projects at least every other week
- 1 teacher to 12 student ratio
- Parent helpers – free student enrollment (1 child) and background check required – paid for by parent.

TS Golf Academy At the Summit school of Ahwatukee

Session 1

class November 24th (Thanksgiving)

Session 3

Thursdays after school 3:25-4:25
February 2nd - March 9th

Session 4

Thursdays after school 3:25-4:25
March 23rd - April 27th

Classes held on campus field
Cost is \$199 per session

TSGA is offering a skill building golf program teaching key fundamentals while having fun. TSGA uses the US Kids Player pathway, which consists of ten levels.

Within each level, there are five checkpoints in which Achievement pins may be earned for Putting, Around the Green, Full Swing, Knowledge, and Scoring. Once all five are attained, a Mastered pin is awarded, and to advances to the next level.
