During camp weeks contact:

Tylor Wimbish, Camp Director

480-403-9500 ext. 401

[Tylor.Wimbish@summitschoolaz.org](mailto:Tylor.Wimbish@summitschoolaz.org)

Camp cell phone 623-202-5762

# What to Expect This Summer

## DROP-OFF/PICK-UP PROCEDURES

### General Guidelines:

- All students (PS-8) will be dropped off and picked up in the MPR through the double doors at the front of the building. This entrance will be clearly marked during camp.
- Parents/Guardians are responsible for transporting their children to and from camp.
- All campers must be signed in and out of camp each day by a designated guardian.
- Parents/Guardians and visitors must park in designated lined parking spaces only.
- Please do not park in such a way to hinder the flow of traffic or jeopardize the safety of children.
- Parking is not allowed along the red curbs. Do not park in the designated spaces purchased by parents/guardians at the annual Summit School Auction.
- State law prohibits neglect and endangerment of children. Never leave children unattended in a vehicle at any time, and always use car seats and seat belts.
- Students cannot be dropped off in the parking lots.
- Pedestrians are not permitted to cut through the carline.
- Please do not try to meet with staff while they are supervising carline.
- There is no use of wireless phones (or other digital devices) while in the carline.
- At the end of the camp day, please do not arrive earlier than 15 minutes before your camper's dismissal time as this blocks our fire lane and inhibits emergency vehicles from entering our facility.
- Summit School is not responsible for damage to vehicles or theft. Please secure all valuables and use caution while moving through the parking lot and carline areas.

## WHAT TO BRING:

We will be limiting what children can bring from home.

- Pack a lunch each day for your camper.
- Snacks will be distributed once a day. Please send a snack with your child if you feel that they might be particular about snack foods served.
- **Students need to bring a labeled reusable water bottle/thermos to camp every day. There are 3 water bottle filling stations that students can use to refill their water bottles and thermoses.**
- Lunch containers and water bottles need to be taken home and washed daily.
